

## 2020 OutFront MN College Scholarship Fund Application

### About OutFront Minnesota

OutFront Minnesota is the largest statewide organization advocating for and serving lesbian, gay, bisexual, transgender, and queer (LGBTQ+) Minnesotans. OutFront Minnesota's mission is to create a state where LGBTQ+ people are free to be who they are, love who they love, and live without fear of violence, harassment, or discrimination. We are leading Minnesota toward LGBTQ+ equity through a combination of public policy, legal and individual advocacy, and education.

The purpose of the OutFront Minnesota College Scholarship Fund is to provide financial assistance to graduating high school students and/or current college students who work toward LGBTQ+ equity and plan on attending an institution of higher learning. This \$12,000 scholarship will equal \$3000 per annum paid out over four years. If the recipient attends college for less than four years, the scholarship will be shortened appropriately, i.e., if the recipient attends a two year college, the scholarship will be awarded for two years for a total of \$6,000. Annual reviews will be conducted to ensure recipients are maintaining their academic standing and the scholarship may be terminated for failure to do so.

The founder of this scholarship program, Dan Livak, has created this Fund to support LGBTQ+ students with their education. Dan has been on his own since he was 16 years old. He knows how challenging it can be to work full time while still working through school without a support network. This Fund was created to provide some financial assistance to make going to college a little easier.
