2024

ABOUT OUTFRONT MINNESOTA

OUTFRONT MINNESOTA was founded in August 1987 as a resource for queer and trans community members experiencing violence and hate crimes because of their identities. However, we soon saw issues facing the LGBTQ+ communities needed to be addressed with systemic change in addition to direct services.

In 1993, we successfully passed a statewide nondiscrimination law that included sexual orientation AND gender identity as protected statuses in the Minnesota Human Rights Act—the first law in the country that included protections for our trans community members. We won marriage equality by defeating an anti-marriage amendment at the ballot box in 2012 and passing marriage equality through the legislature in 2013. We ensured that our kids have safe and supportive environments to learn in by passing the Safe and Supportive Schools Act in 2014 and creating the Trans Toolkit in 2017. In 2023, we passed the Conversion Therapy Ban and the Trans Refuge Bill. Our fight is not over and our supporters are needed more than ever.

OutFront Minnesota is the state's largest LGBTQ+ advocacy organization. Our mission is to build power within Minnesota's 2SLGBTQIA+ communities and address inequities through intersectional organizing, advocacy, education, and direct support services. We envision a safe and equitable world where all members of our communities are free to lead lives of opportunity, autonomy, and full self-expression.

OUTFRONT'S LGBTQ+ IMPACT

For decades, OutFront Minnesota has created change around LGBTQ+ rights, safety, and freedom in Minnesota. In 2023, OutFront Minnesota:

- Secured landmark legislative victories including the banning of conversion “therapy” and making Minnesota a transgender refuge state.
- Made advances in inclusive school policies across the state—including a Gender Inclusion Policy in Duluth Public Schools and a Pride Resolution in Osseo Public Schools.
- Supported almost 5,000 educators and LGBTQ+ youth in creating safer school environments.
- Connected with 42 GSAs across the state, more than 200 Gender & Sexuality Alliance (GSA) advisors, and nearly 1,300 middle- and high-school students through sponsored events.
- Ensured the safety of 290 LGBTQ+ victims/survivors of violence by providing them with crisis counseling, financial assistance, and advocacy.

OUR COMMUNITIES' NEEDS

In 2023, Minnesota saw the greatest advances in LGBTQ+ equity in more than a decade. However, national attacks against the LGBTQ+ community continue to put pressure on community members—with thousands looking to Minnesota for refuge and resources.

In 2024 OutFront Minnesota is working to:

- Shape the national narrative around LGBTQ+ rights with local and national partners.
- Following the COVID pandemic, rebuild and strengthen GSAs and our educator and GSA advisor network across the state.
- Ensure the safety of nearly 300 LGBTQ+ victims/survivors of violence by providing them with crisis counseling, system navigation, financial assistance, and advocacy.
- As a first point of contact, field nearly 2,000 helpline calls and directing community members to local resources.
- Lay the groundwork for crucial election victories in 2024 to ensure LGBTQ+ rights are protected at every level of government.

WHY SPONSOR OUTFRONT MINNESOTA?

A sponsorship helps your organization join a community of businesses committed to making a positive impact in our state.

The Twin Cities community boasts a long legacy of LGBTQ+ advocacy. More than 30 Minnesota corporations have been recognized by the Human Rights Campaign with scores of 90+ in the Corporate Equality Index. These scores reflect, in part, a social responsibility and commitment to the LGBTQ+ community through philanthropic giving. Your sponsorship can show your commitment to Minnesota's diverse LGBTQ+ community to the state and your peers.

OutFront Minnesota can elevate your brand with our large media and community footprint.

OutFront Minnesota is the state's leading voice on LGBTQ+ issues, with more than 18,000 Facebook, 7,500 Instagram, and 11,000 Twitter followers and a mailing and email list of more than 40,000.

In 2023, we have received frequent local and even national coverage from news outlets such as CNN for our work in LGBTQ+ rights. Your support of OutFront Minnesota with an event sponsorship can elevate your brand to a wide audience.

YOUTH SUMMIT 2024

OutFront Minnesota's annual Youth Summit is a powerful event for students in grades 9–12, as well as the adults that support them in their learning environments. This event brings together more than 300 LGBTQ+ youth, allies, and educators from across the state for youth-led workshops, leadership development opportunities, community building and networking, and the chance for youth to speak with community leaders about issues that matter to them.

“I just love the vibe for the kids that it’s okay to be exactly who they are, and be surrounded by like-minded people. They certainly don’t get that feeling at school.”
